What a P&C really does

At Wauchope High School the P&C organise and run the canteen and the uniform shop and they are both in danger of being closed down as they are due to a lack of P&C members.

Without a quorum and without a P&C executive, the canteen and the uniform shop will not function as they do at present. Prices are highly likely to rise.

The P&C AGM is on March 19th in the Common Room at 7pm. Meetings are held once a month on the third Wednesday of the month. This could change with a new committee. Any parent/carer and community member can attend.

At the AGM we are looking for a parent/carer or community member to run the uniform shop and another to fulfill the role of P&C secretary. We already have a nomination for Treasurer and P&C president, but you may also consider these positions.

P&C associations are also a great way to:

- get the inside story on what’s really happening in the school (not the gossip). The principal usually is available to answer questions and teachers sometimes attend too
- influence school policy (want to change the uniform? Lobby through the P&C)
- have a say in the development of school activities such as excursions and camps and curriculum
- guide school management in its financial planning by helping prioritise the resource wish-list
