Dear Parents, caregivers and students

You are invited to attend an information night concerning the 2015 Higher School Certificate and School Assessment program. The information to be provided on this evening will enable you to effectively support your child with the demands they face in their HSC year.

- **Date:** Thursday 23\textsuperscript{rd} October
- **Time:** 6 - 7 pm. Light refreshments will be available from 5:30 pm.
- **Location:** Wauchope High School Library

On this night students will receive a copy of the Wauchope High School 2015 HSC Assessment booklet. This booklet contains the:

- school’s HSC Assessment Policy. This provides students with vital information on matters such as task submission, absenteeism, illness/misadventure and requirements to satisfactorily complete each of their HSC courses.
- Assessment schedules for all HSC courses. This provides students with information such as the approximate date of each task and assessment weight.

Students will be required to sign for the copy of the booklet they receive. Students unable to attend the Information Night will be required to make an appointment with Mr Jackson to discuss this information and the school policy.

The school Principal, Mr Sawle, will also provide information on the trial of the Senior Preparation Room. This is an initiative which is being trialled in Term 4 2014 to support our senior students in their preparation for the HSC and in managing the demands of a senior student.

Head Teachers from subject areas will also be available should you have particular questions.

If you, as a Parent or caregiver, are unable to attend on the night you are invited to attend an alternate Parent information session to be provided by the Principal on Wednesday 29 October from 4 – 5 pm. Please contact the school if you would like to attend this alternate session.
